

# LIMITED TIME ONLY!

## GET THE TURBOCHARGED SPEED YOU NEED FOR LESS!

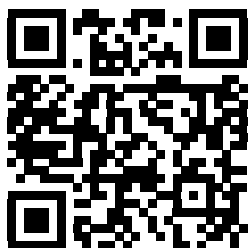

### POW • R • FEED

## M936

- **Enhanced Ramping**  
Proprietary end face allows smooth, aggressive tool entry
- **Virtually Clog-Free**  
Unique flute and core designs ensure uninterrupted cutting
- **Superior Cutting Edges**  
Built to endure, even under extreme conditions

## M936C

- **Chip Management System**  
Eliminates chip pollution, even in tight pockets and confined spaces

Learn how the M936 and  
M936C can maximize your  
metalworking potential!

# VALID 9/9/2024 - 2/28/2025
